Exteriors are proportioned to reach a calm yet distinctive appeal. The silhouette is very clean and all the components on board have been studied in detail. Handrails in teak with a strip of wenghè wood in contrast, matt and glossy finishes, flash glasses and highly geometrical aft tails give to the overall shape an extremely elegant vibe. Crocus has 4 main decks. All aft areas including the sundeck (100sqm) and the beach club are very spacious, versatile and totally dedicated to the Owner's needs.

The bow areas are dedicated to the technical compartments and the outdoor garage where tenders up to 7 meters and every kind of toys can be found. The main deck hosts the Owner Room, a very extensive dining zone and the kitchen while the lower deck hosts the 4 remaining cabins. In the upper deck, there's another very livable salon. In addition to these great guest areas, there are also important stock and crew zones in the lower deck close to the beach club.

Interiors are characterized by a cold palette and, at the same time, by a cozy atmosphere. Everything is designed to feature relaxed mood and pure comfort in which each detail is created to express geometrical composition and balanced proportion. Colors and Materials are carefully chosen to point out a feel-like-home flavour with timeless stillness.

Strong contrasts between dark and light colors (dark browns, bright whites, soft greys and saffron accent contrasts) combined with tropical ebony wood, precious statuario marble, smooth alcantara and high-end top quality yet casual fabrics, give to interiors a sense of ultra modern and contemporary lifestyle.
